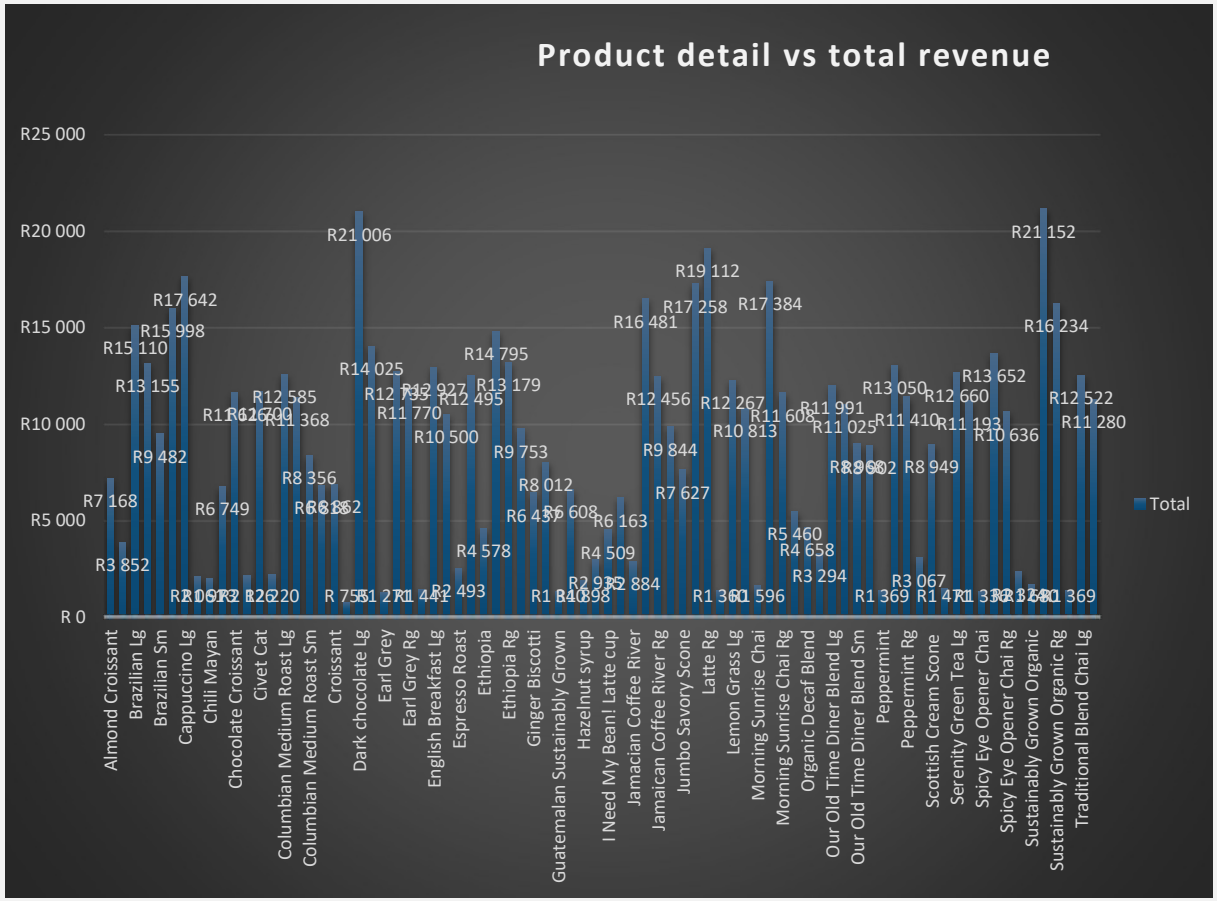
BRIGHT COFFEE SHOP

Product Detail over Total Revenue



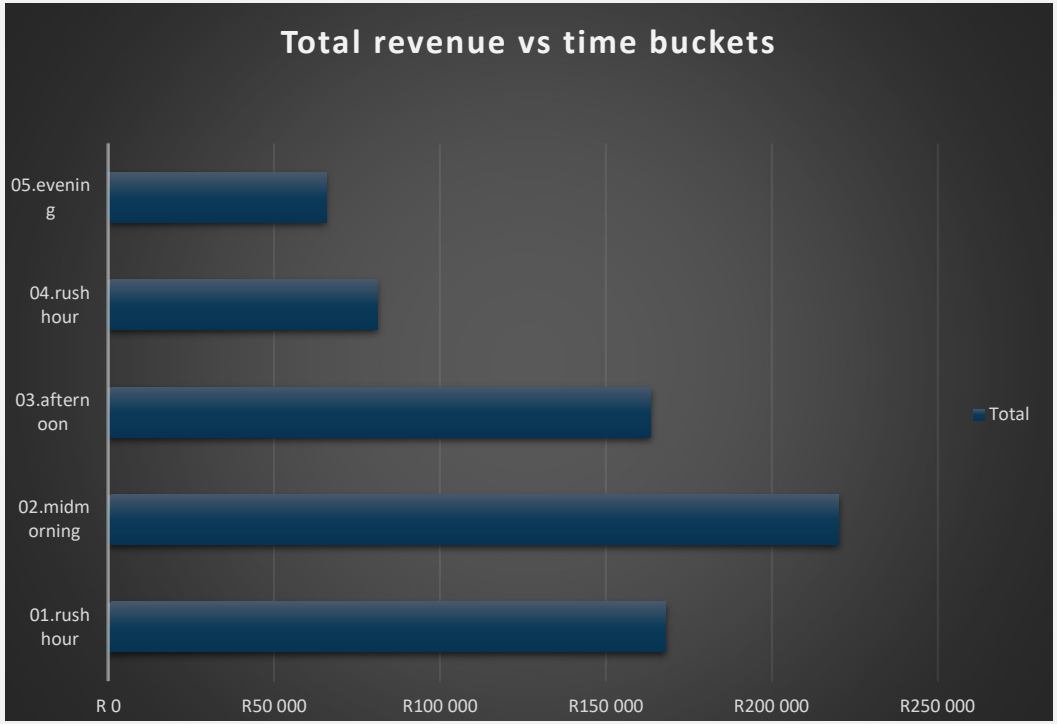
Product Detail vs Total Revenue

Insight: High-performing products include *Espresso Roast, Cappuccino, Latte, Dark Chocolate, Ethiopian blends, and Jamaican Coffee River*.

Recommendation:
Focus marketing on these top sellers.
Bundle pastries (croissants, scones, biscotti) with premium coffee for upselling.
Consider phasing out or rebranding low-revenue items like syrups and merchandise.

BRIGHT COFFEE SHOP

TOTAL REVENUE VS TIME BUCKETS



Midmorning is the strongest revenue window
The **midmorning period is the highest-performing bucket**, contributing roughly:

$$R220{,}000$$

This is significantly above every other time period.

Key insight:

This is the coffee shop's **primary revenue engine**.

Evening is the weakest trading period

Evening revenue is approximately R65,000, the lowest bucket.

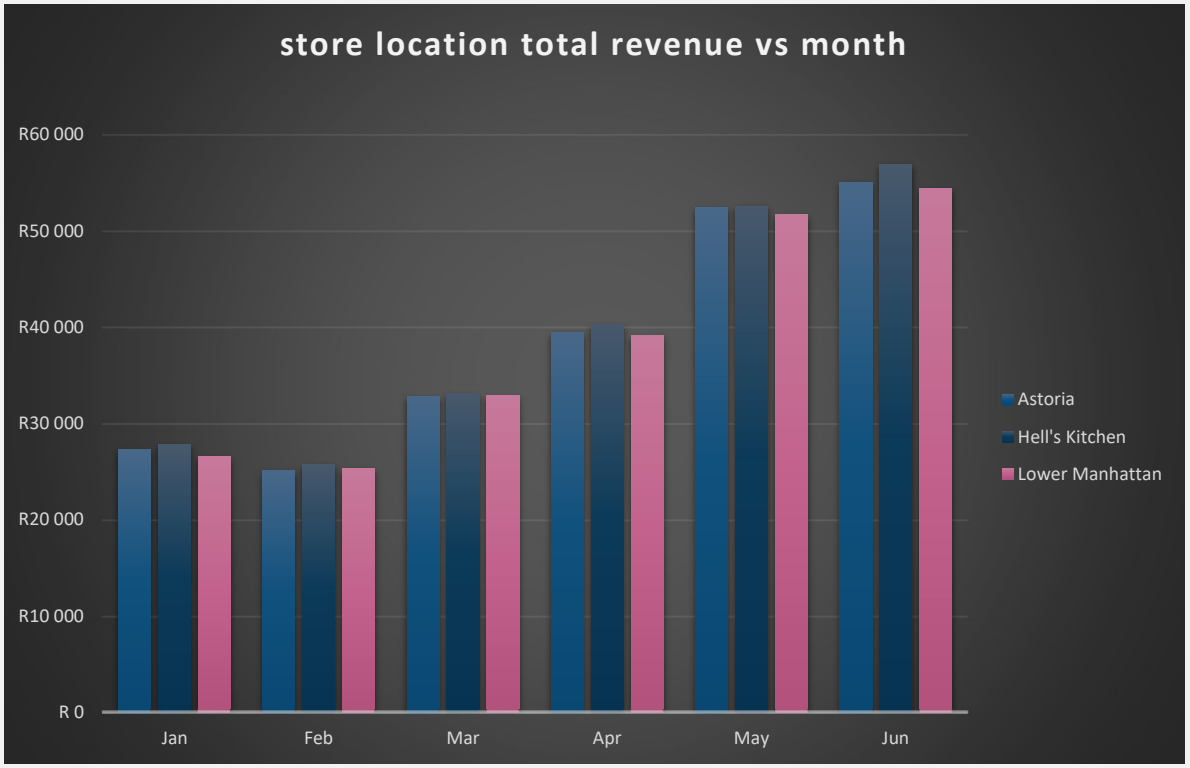
$$R65{,}000$$

Recommendations

- ensure full stock availability
- premium coffee upselling
- pastry combo bundles
- fast service queue design

BRIGHT COFFEE SHOP

STORE LOCATION VS TOTAL REVENUE PER MONTH



Store Location vs Total Revenue per Month

Insight:

All three locations (Astoria, Hell's Kitchen, Lower Manhattan) show steady growth from Jan–Jun.

Hell's Kitchen consistently leads in monthly revenue.

Recommendation:

Replicate successful strategies from Hell's Kitchen across other branches.

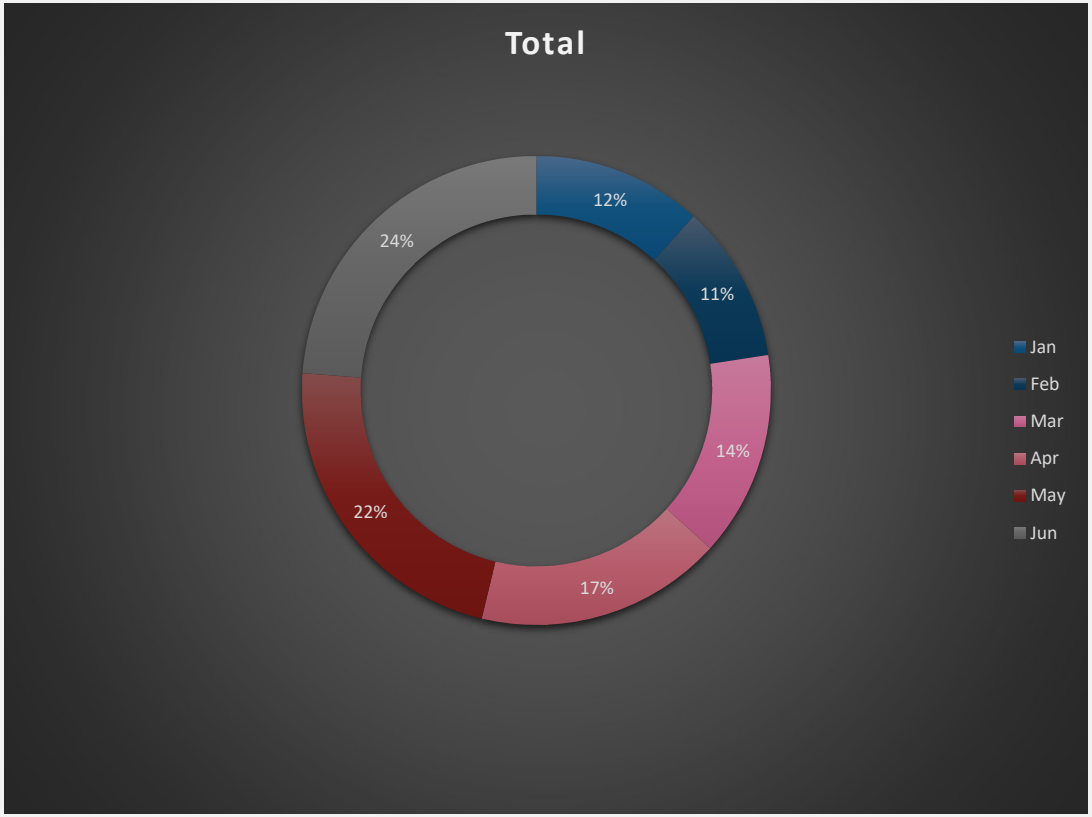
Explore location-specific promotions (Astoria: family bundles, Lower Manhattan: office worker loyalty programs)

BRIGHT COFFEE SHOP

TOTAL REVENUE PER MONTH: JAN – JUNE 2026

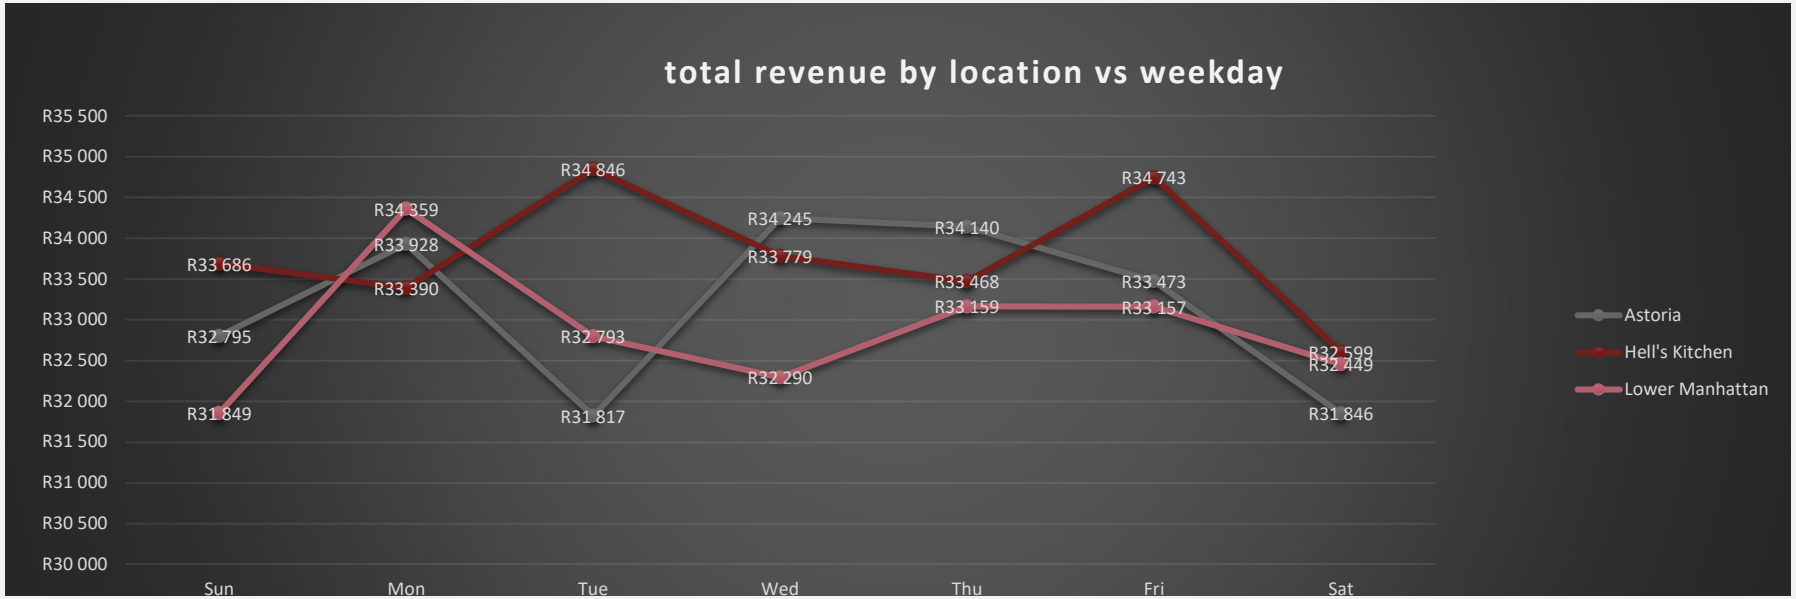
- **Insight:**
  - Revenue grew from ~R81,000 in Jan to ~R166,000 in Jun.
  - Strong upward trajectory, especially from April onwards.

- **Recommendation:**
  - Maintain momentum with seasonal campaigns (summer iced drinks, winter warmers).
  - Scale operations to meet increasing demand (staffing, inventory, seating capacity).



BRIGHT COFFEE SHOP

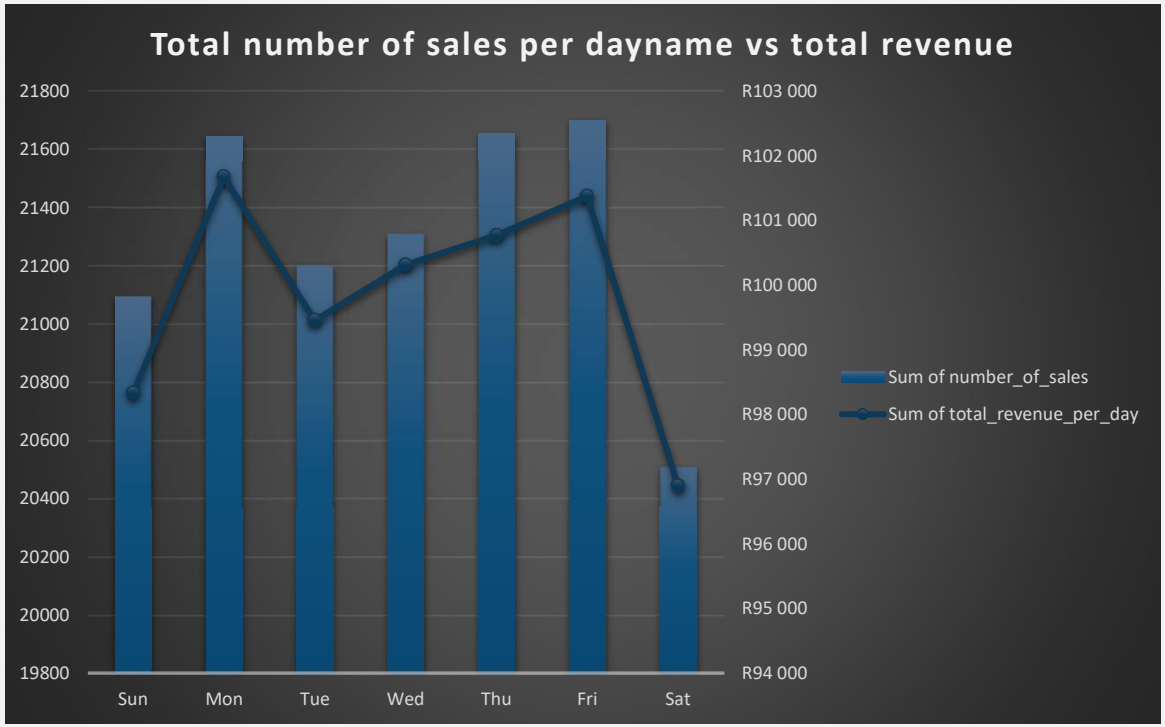
TOTAL REVENUE BY LOCATION VS WEEKDAY



- **Insight:**
  - Revenue is fairly balanced across weekdays, with slight peaks midweek (Tue–Thu).
  - Hell’s Kitchen shows stronger weekday consistency.
- **Recommendation:**
  - Introduce weekday loyalty programs (e.g., “Wednesday Rewards”).
  - Target office crowd with subscription coffee passes

BRIGHT COFFEE SHOP

NUMBER OF SALES PER DAY OF THE WEEK VS TOTAL REVENUE



- **Insight:**
  - Sales volume is highest on **Fridays (21,701 sales)** and lowest on **Saturdays (20,510 sales)**.
  - Revenue follows a similar pattern, peaking on Fridays (~R101,373).
- **Recommendation:**
  - Capitalize on Friday demand with “Friday Treat Combos.”
  - Boost Saturday sales with family-friendly promotions or brunch specials.
  - Maintain consistent staffing levels across weekdays to handle steady demand.
